CERTIFICATE OF CONFORMITY

Subject: HAZARDOUS SUBSTANCES IN OUR POTENTIOMETERS
RoHS Directive (2002/95/EC)

With this document, we certify that the concentration of hazardous substances in our potentiometers do not exceed concentration values set by the RoHS directive (2002/95/EC).

We will also respect the criteria laid down in this directive, if the product is modified.

Šentjernej, 15 April, 2004
